Our Vision

Shaping Difference-Makers in Christ

Our Mission

TEACH (Proverbs 15:33) TRAIN (Proverbs 22:6) TEST (Proverbs 17:3) TRANSFORM (Proverbs 3:12)

Our Statement of Faith

1. We believe the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God (2 Timothy 3:16, 2 Peter 1:21).
2. We believe there is one God, eternally existing in three persons-Father, Son, and Holy Spirit (Genesis 1:1, Matthew 28:19, John 10:30).
3. We believe in the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4: 15, 7:26), His miracles (John 2:11), His vicarious and atoning death (1 Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His Resurrection (John 11:25, 1 Corinthians 15:4), His Ascension to the right hand of God (Mark 16:19), His personal return in power and glory (Acts 1:11, Revelation 19:11), Jesus Christ as the Wisdom of God (1 Corinthians 1:24).
4. We believe that the universe and all living things (including man), were made by direct creative acts of God within the 6 (six) literal 24-hour days as described in the book of Genesis. Any biological changes that have occurred since the Creation week have done so within the original created kinds. The special Creation of Adam and Eve in the image of God, and their subsequent fall into sin is the basis for our belief in the necessity of a Savior for all mankind.
5. We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature, and that men are justified on the single ground of faith in the shed blood of Christ, and that only by God's grace and through faith alone are we saved (John 3:16-19, 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of condemnation (John 5:28-29).
7. We believe in the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9, 1 Corinthians 12:12-13, Galatians 3:26-28).
8. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; 1 Corinthians 3:16, 6:19-20; Ephesians 4:30, 5:18).
9. We believe that the term *marriage* has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Genesis 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Corinthians 6:18, 7:2-5; Hebrews 13:4). We believe that God's command is that there be no sexual intimacy outside of or apart from marriage between a man and a woman.
10. We believe that God wonderfully foreordained and immutably created each person as either male or female in conformity with their biological sex. These two distinct yet complementary genders together reflect the image and nature of God (Genesis 1:26-27).

Our Statement of Faith is not exhaustive of all of our beliefs. The Bible, as the inspired and infallible Word of God, speaks with absolute authority regarding the proper conduct of mankind and is the unchanging foundation for all belief and behavior. The pastoral leadership of Lakewood Park Ministries holds final interpretive authority on biblical meaning and application with regard to faith, doctrine, policy, practice, and discipline. I. INTRODUCTION

Welcome to LPCS! We are thankful to God that He has led you here. We exist to partner with you in educating your children. Our school is distinctively different because we seek to honor God in every aspect of school life as we integrate Biblical principles into everything we do. While providing a solid academic education to prepare young people for a successful future, we also encourage each student to develop a personal relationship with the Lord Jesus Christ and begin a journey to Christian maturity.

PHILOSOPHY of CHRISTIAN EDUCATION

A Christian school with a biblical worldview is a place where every decision, individually or collectively, is based on the following principles:

1. The Bible is inerrant and God-inspired, the basis of all Truth and knowledge, the only authoritative Word of God, and the heart of the curriculum in Christian education.
2. In Christian education, there must be recognition of total depravity, human inability, and the need for the sovereign grace of God in giving life and light through a personal relationship with Jesus Christ. (Ephesians 2:4, I Corinthians 2:14) In other words, man is not innately good and, therefore, we don't expect just to tell students what they should do and expect that they will do it. We also don't believe education can save or change a person or society; only Christ can do that. Genesis 8:21 says, "Man's bent is always toward evil from his earliest youth."
3. The purpose of education should be to glorify God and to know Him. This means acquiring a love for the Lord that encompasses the heart, mind, and soul, being able to share the gospel with others, and equipping each person to serve Him effectively.
4. This world was created and has a God-ordained order; it did not evolve. Humans, as opposed to all other creatures, were distinctly created to have a relationship with the Creator. Some of the qualities that differentiate us from the animals are morality, reason, creativity, and self-worth.
5. God is the center of history and He will determine its ultimate outcome. It is linear, not cyclical.
6. The Christian must derive his/her value system from that which is eternal, the Word of God, rather than that which is temporal. Therefore, personal knowledge of Jesus Christ is valued above all.

In conclusion, the Philosophy of Christian Education must begin and end with Christ.

OUR CORE VALUES

Community - We are committed to experiencing life together in Christ, as we partner to encourage, love, serve, and grow each other in community.

Leadership - We are committed to developing leaders who are able to communicate a distinctly Christian worldview and live it out daily with character, integrity, and wisdom.

Academic Excellence - We are committed to educating the individual learner in every aspect of school life through a model that is relational and based on wisdom from God's eternal Word.

Spiritual Development - We are committed to fostering an environment where a relationship with the living Christ is evidenced through worship, discipleship, evangelism, fellowship, and ministry.

Service - We are committed to presenting Christ to others through serving our community with respect and humility, clearly communicating His gospel.

PHILOSOPHY of GUIDELINES and SCHOOL CULTURE

This handbook contains information, rules, regulations, and standards of courtesy that help us achieve our mission as a Christian school. We believe that Biblical principles for rules find their foundation in one of these three areas. Many of them fall into the last category in that the rules were established for the good of the greater community.

1. God's Commands
 - A. Some of our rules are based on commands found in God's Word.
 - B. Proverbs 7:1,2b – "My son, keep my words and store up my commands within you. Keep my commands and you will live."
2. Good Cautions
 - A. Some rules are not given in the Bible, but are made to protect us from violating biblical rules.
 - B. Proverbs 1:8 – "Listen, my son, to your father's instruction and do not forsake your mother's teaching."
3. Greater Community
 - A. Some rules are not necessarily moral laws but are guidelines for the good of society.
 - B. Romans 13:1-6 – gives authority to institutions to make such rules.
 - C. Proverbs 8:15 - "By me (wisdom) kings reign and rulers make laws that are just."

It is our prayer that by combining our efforts with home and church, each student will understand our reason for rules and that all our policies will help students in their journey to become more like Christ.

VISION FOR STUDENTS

It is our vision that our graduates will be educationally and academically prepared for their next level of education or vocation. They will have a love of learning and desire to continue to grow intellectually. Their lives will give evidence of the fruit of the Spirit and of a desire to glorify God in all that they do by loving and serving others, and by increasing their knowledge of God and His Word. Possessing a Biblical Worldview, our vision is that LPCS graduates will seek to advance the Kingdom of God and to serve God through their local church.

II. GENERAL INFORMATION

OPEN DOOR POLICY and the MATTHEW PRINCIPLE

If you ever have questions, concerns, or ideas for school administrators to consider, we encourage you to bring them to the table. It is often through the input of a student or parent that problems come to light or new ideas turn into action. Administration may be contacted by email or phone call, or by calling the school office to schedule an appointment.

We expect all members of our LPCS community to follow the principle from Matthew 5 and 18 if you have a problem with another person. Go directly to that parent, teacher or staff member to explain your concerns. If the issue is not resolved, go to the next step until you feel you have been heard and the problem has been solved. First, see the teacher, then the principal, then the head of school, and then the senior pastor of LPBC.

OFFICE HOURS

The school office is open Monday - Friday from 7:30 a.m. until 4:00 p.m. while school is in session. During breaks and national holidays, limited office hours may be available and will be posted.

SCHOOL HOURS

Monday - Delayed Start

Grades PK-4: 8:30 am - 3:00 pm

Grades 5-12: 8:30 am - 3:10 pm

Tuesday, Wednesday, Thursday and Friday

Grades PK-4: 7:50 am - 3:00 pm

Grades 5-12: 7:50 am - 3:10 pm

2-Hour Delay

Grades PK-4: 9:50 am - 3:00 pm

Grades 5-12: 9:50 am - 3:10 pm

STUDENT USE OF PHONES: OUTGOING CALLS

Students may use the office phone to call home in an emergency or when there has been a change in a school-sponsored event. Students must obtain permission to use the office phone. If a student becomes ill at school, he/she must report to the nurse. Communication regarding the student's condition and next steps will be made by the school nurse.

STUDENT USE OF PHONES: INCOMING CALLS

To avoid disruptions to classroom instruction, parents are asked to contact the school office should they need to get in touch with their child. The office will assist in delivering a message to the teacher or student and facilitating a return call if needed.

STUDENT CELL PHONES (Smart Watches/Data Devices)

Cell phones are permitted at school, however, for students in PK-6th grade, they must stay in lockers or backpacks, be turned off, and may not be used while at school. Cell phones and other smart devices will not be allowed in aftercare.

For students in 7th-12th grade, cell phones are permitted at school, but must remain in lockers during class times. High School students may access their personal devices during lunch. JH/HS students may access phones during passing periods, and before and after school.

If a 7th-12th grade student's cell phone or smart device (including smart watch or other text-able device) is seen on your person or heard during class, it is a violation of school policy. The student will receive a referral, and the reporting staff member will have the phone or device taken to the office to be picked up at the end of the day. The first offense will result in a verbal warning; second a lunch detention; third and beyond a Friday Night School or as determined by the discipline staff. If offenses continue, further measures will be taken, as described in the discipline section of the Handbook.

Cell phones are not permitted in Chapel.

ARRIVAL and DISMISSAL

ARRIVAL (Drop Off)

- Students in Grades PK-4 may be dropped off no earlier than 7:00am and should enter through the dining hall doors. PreK-1st graders will be seated at their assigned tables in the cafeteria, and 2nd-4th graders will proceed to the main gym. Each grade and class has a designated seating area in the cafeteria and in the gym, and students will be supervised by LPCS staff members. Students will wait in their seating area until teachers pick up their classes.
- Students in Grades 5-8 may be dropped off no earlier than 7:00am and should enter through the gymnasium entrance. While dropping off at the gymnasium entrance, use the drop-off lane to the right, pull up to the cone and let students out. Students in grades 5-8 will report directly to the main gym to wait in their designated area until they are dismissed to start their day. Students are not allowed to access locker rooms, classrooms, student lockers, or other hallways prior to being dismissed from the gym.
- Students in Grades 9-12 may enter the building no earlier than 7:00am and should stay in the east hallway just inside the gym entrance doors until the first bell rings at 7:40 (or 8:10 on Mondays). Students are not allowed to access locker rooms, classrooms, student lockers or other hallways prior to 7:40am.
- Tardy to School Any student arriving after the 7:50am bell must report to the school office to sign in.

DISMISSAL (Pick Up)

- Students in Grades PreK-4th are dismissed on the north side of the building at 3:00pm and should be picked up by 3:15. Each PreK-4th grade family is assigned a car tag with a designated number for car line safety and efficiency. The tags must be visible when picking up a PreK-4th grade student (i.e. hanging from the rearview mirror, in hand, etc.). The school provides each family with two tags. Additional car tags can be purchased for \$1.
 - Parents can use the elementary carline, which is the lane closest to the building. Drivers should not get out of their vehicles if they are using carline. Students will be sent to their cars by a designated staff member stationed at each crosswalk.
 - Parents can park in the north lot and walk up to the crosswalk to pick up their student. This is a great option if your child needs assistance entering your vehicle. Parents who walk up should wait at the crosswalk for their student to be released to them and should not use dismissal time to meet with the child's teacher.
 - PreK-4th grade students can be picked up by an older sibling, but the sibling must use the car tag and come to the child's dismissal area to pick up by 3:15.
- Students in Grades 5-12 grade are dismissed at 3:10pm to the gymnasium (east) entrance for dismissal in the east parking lot. Dismissal ends at 3:25. Staff will supervise dismissal.
 - Families picking up students in grades 5-12 should use the pick-up lane on the right, find a parking spot, and wait for their student(s) to come to their vehicle. Staff members will be present to help manage the traffic flow and to provide supervision.

LAKWOOD PARK AFTERCARE

The Lakewood Park Aftercare program offers after school care for our PK-6th grade students. Aftercare is a service provided by Lakewood Park Christian School for families who are unable to pick-up students during the dismissal time frame. Students will be supervised by LPCS staff, and

activities will be both inside and outside (weather permitting) and include structured and unstructured play time. All services provided by LPCS should support the mission and vision to teach, train and transform students for the glory of Christ. Care begins at 3:15pm on normal dismissal days and continues until 5:30pm. There is no separate registration for Aftercare. Any PK-6th grade students who are in the building after dismissal will be signed into Aftercare, and charges will be applied to their FACTS account. The cost of Aftercare is \$5.00 per child/per hour. A charge of \$1 per minute per family will be applied when students are not picked up by 5:30pm. Charges will be facilitated through FACTS Tuition management on the 10th of each month.

- o Students who are not picked up by the end of their grade level dismissal will do the following:
 - PK-6th grade students will report to the cafeteria and sign into Aftercare.
 - Upper School Students will report to the hallway outside the cafeteria until being picked up. Students should be picked up, or with their designated coach/supervisor, by 4:00.
 - LPCS does not provide direct supervision of 7th-12th grade students after dismissal times. All students are expected to follow school rules and policies and remain in the designated waiting area.. Parents' promptness in picking up your child after school is appreciated.
- o Students are not allowed to wait to be picked up at the front office or anywhere else in the building.

- Drivers should not use cell phones while driving on campus.

LOST and FOUND

Misplaced items found around the school will be placed in the school “lost and found.” The “lost and found” is located near the main office. The “lost and found” is cleaned out weekly. Unclaimed items will be placed in an ‘end-of-the-year garage sale’ or donated to charity. Please label all personal items with the student’s name, so that they can be returned to their original owner.

LOCKERS (Grades 3-12)

 - 5th-12th grade students are encouraged to bring a personal lock for their lockers; however the student must give the Registrar the combination (no key locks).
 - 5th & 6th grade students should give their combinations to their homeroom teacher.
 - LPCS will not be responsible for lost or stolen items.
 - JH and HS Students may bring their own lock for their PE locker. If they bring their own lock, they must give the combination to both the gym teacher and to the Registrar.
 - Add in regarding locker searches (from the email sent to parents in the spring)
 - The lockers and locks remain the property of Lakewood, and we maintain the right to open and search any locker if necessary.
 - Locker searches may happen at any time if there is reasonable suspicion that something harmful or illegal is inside.
 - Random K9 searches of lockers and vehicles will happen throughout the year without prior knowledge of students or most staff.
 - If a locker or vehicle is tagged by a K9 unit:
 - The locker/vehicle will be opened and searched by at least two members of a.) the admin team, b.) the security team, and/or c.) lead(s) of the security team.
1. If nothing is found:
 - a. A member of the administration will contact the student to let them know their locker was tagged and searched.
 - b. A member of the administration team will contact the students’ parents to inform them of the search and outcome.
 2. If something of concern is found:
 - a. The substance/item(s) will be immediately collected from the locker.
 - b. The student will be called to an administrator’s office and not allowed to access the locker, return to class, or leave campus until proper procedures have been carried out.
 - c. The student’s parent(s) will be notified of the findings.
 - d. If needed, local law enforcement will be notified if an illegal substance/item is found.
 - i. Depending on the substance and amount found, officers may immediately take the student into custody

 - c. Expulsion (no option to graduate for a senior), especially if there has been more than one offense
 - d. Local law enforcement will be contacted
 - i. Depending on the item, substance, and amount, the student may be taken into immediate custody by the officers

VENDING MACHINES

- PreK-6th grade Students are not to use the vending machine during school hours.
- 7th-12th grade Students may use the vending machine on the way to class, during lunch, and/or after school.

HALLWAY / STAIRS BEHAVIOR

- No eating or drinking, running, yelling or behaving inappropriately.
- Students in Grades 7-12 need a pass if they are in the hallways while classes are in session.

USE of the ELEVATOR

A student may only use the elevator in the case of an injury or physical condition that prohibits him/her from using the stairs. The student must obtain permission and a pass from the school nurse before riding the elevator. The student can have one other student, of the same gender, help them carry books or maneuver in/out of the elevator. A student who is helping a teacher or other staff member move materials, may also use the elevator, as long as he or she has a pass.

EMERGENCY GUIDELINES and DRILLS

We take the safety of our students very seriously. We conduct emergency drills throughout the school year, which comply with state requirements. We have a School Safety and Security Committee that meets regularly throughout the school year to review practices, procedures, and policies. We also have staff members who are School Safety Specialists as trained by the IDOE.

FIELD TRIPS and APPROVED DRIVERS

Parents sign one field trip form and medical release during enrollment/re-enrollment to give permission for all field trips during the school year. It is the parent's responsibility to maintain updated emergency contact information in FACTS. Field trip details will be sent home with students going on a field trip to inform parents about the trip. A travel manifest is left in the school office before departure showing which students are traveling in each vehicle.

If private vehicles are used on a field trip or a sports event, a Volunteer Driver Application form, with a valid driver's license and proof of insurance, must be on file well in advance in the office for each driver. Drivers must follow all traffic rules.

VISITORS

All visitors must register at the school office.

Adult Visitors

The following rules apply to adult visitors:

1. Visitors are required to let teachers/office staff know ahead of time that they'll be visiting, in order to minimize classroom disruptions.
2. All visitors must come with their driver's license. The driver's license will be used to conduct a quick criminal background check before the visitor will be permitted to enter the school.
3. Visitors must drop off their visitor badge to office staff when leaving the building.

Student Visitors (PK-12)

1. Student visitors are expected to dress appropriately. The administration reserves the right to keep a student visitor in the office area during a visit.
2. Prospective students may visit a classroom to shadow a current student for a portion of the day by the arrangement of the Director of Admissions and must be in LPCS dress code for the day.
3. High school age students may visit only during the lunch period and also provide identification to the front office staff. They must sign in and out of the office and must go directly to and from the cafeteria, unless otherwise approved by the administration.

VOLUNTEERS

Volunteers are a very valuable resource. Volunteering is an important way that parents or grandparents can partner with us to be a part of their child's education. Volunteers are asked to sign in and out at the front office and wear school-provided identification for security reasons. All volunteers, including all adults accompanying a class on a field trip, need a background check. They can initiate the process by completing a short form and paying \$20 at the Main Office. The background checks last for three years.

LAKE, WOODS, DISC GOLF

No student is allowed by the lake or in the woods without direct staff or parental supervision. The lake and disc golf course is closed to all visitors when school is in session. Fishing permits are required in order to fish on campus. Contact the Main Office in order to obtain a permit.

FUNDRAISING

School-wide fundraisers are approved/scheduled by school administration. Fundraisers may also be approved to meet non-budgetary needs in areas of student activities such as the athletic department, music department, yearbook, and individual classes.

All fundraising requests from individual groups, clubs, and organizations must first be submitted to the principal for review. Once reviewed, the principal will recommend, at his/her discretion, the fundraising request to the superintendent for final approval. Fundraising requests should be submitted by Sept. 1 for the first semester and by Feb. 1 for the second semester prior to the start of the event. Promotional materials should also be presented to the principal for approval at least one week prior to distribution and clearly state the purpose and financial goal of the fundraiser.

NON-DISCRIMINATION STATEMENT

At Lakewood Park Christian School, we welcome and embrace a diverse community, and we are thankful to God for the rich heritages represented by each family in our school. It is and shall be the policy and practice of Lakewood Park Christian School not to unlawfully discriminate on the basis of the applicant's

race, color, gender, nationality, ethnic origin, age or handicap with regard to employment, admissions, scholarships, athletic programs, or any other school activity.

- Students must clean up around, under and on their table by throwing away trash, as well as wiping the table with the sanitized dish cloth.
- Students should remain in the lunchroom for the entire lunch period and to leave the cafeteria.
- Students are not allowed to be dismissed from their table to go back to class until the students have completed proper clean-up procedures.

- Students not following the above rules may receive disciplinary action.

Specific Rules and Procedures for PK-4th

- When entering the dining hall, students go through the lunch line or to their assigned table (with their packed lunch).
- Each class is assigned to specific tables, and students should remain seated during lunch unless they receive permission from the lunchroom supervisor.
- Students are not allowed to:
 - share food
 - use the microwaves
 - go back to the classroom between recess and lunch
 - bring or buy pop for lunch

Consequences will be at the discretion of the Lunchroom Supervisor. Such consequences may include: cleaning tables and table areas, loss of recess (PK-4th), eating lunch in the office, or staying after school.

III. ATTENDANCE POLICIES

A direct relationship exists between success in school and attendance. To ensure that students are in regular attendance, Indiana School Code, LPCS Board, and Administration require that all students attend daily unless they are officially excused.

Attendance expectations are as follows:

- Students are expected to be in school and in assigned areas.
- Personal appointments and obligations should be planned for times outside the instructional day when possible.

REPORTING ABSENCES

It is the parent's responsibility to call the school to report the student's absence by contacting the Registrar before 9:00 am by calling (260) 925-1393 ext. 308 or emailing attendance@lakewoodpark.org.

PARTIAL DAY ABSENCES

- Students are expected to arrive at their designated classroom by the 7:50am bell, or by 8:30am on Mondays.
- Students must arrive by or stay until 11:15am in order for a half day attendance to occur.
- Students arriving after the start bell and at or before 11:15am, will be counted as tardy.

EXCUSED ABSENCES

An excused absence is an absence that the school verifies, an absence that follows school policy. All missed school work will be expected to be made-up.

The following are examples of excused absences:

- Personal illness of a student (verified by parent/guardian or doctor phone call, note, or email)
- Appointment with documentation
- Death within the family
- Family emergency (administrator discretion)
- Court appearance (with documentation)
- Government-related (i.e. students working at voting polls or state internship days)
- Pre-approved family vacation
 - When a student plans to miss 3+ school days the parents must submit an Extended Absence form, which is available from the Registrar or office. The Extended Absence

Form must be filled out, signed by the parent, and approved by the principal prior to the vacation so that teachers can be notified. No assignments will be given until the student returns to school. Parents are encouraged to be aware of critical testing times when students can not miss.

- For absences of one or two days, please notify the Registrar.
- Pre-approved college visitation for juniors and seniors
 - Juniors are allowed two (2) days each year to visit college campuses.
 - Seniors are allowed three (3) days each year to visit college campuses.
 - College visit days are considered excused absences only when the Registrar is notified. Students are encouraged to take advantage of visiting colleges when LPCS is not in session (fall break in October, Thanksgiving, Christmas break, spring break, and in-service days).
 - Students must submit documentation from the college visit to verify absence.
- Adverse weather conditions (administrator discretion)
- For an illness lasting more than three days, a doctor's note may be required before being allowed to return to school and/or for the absences to be excused.

UNEXCUSED ABSENCES

An unexcused absence is an absence that the school does not consider legitimate or when the school's attendance policy has not been followed. All missed school work will be expected to be made-up.

The following are examples of unexcused absences:

- Family vacations that did not receive prior approval, are not with the student's immediate family, or exceed the maximum days allowed for vacation.
- An absence for which the school did not receive parental contact within the specified time (9:00am).
- Sleeping in.
- Discipline which removes a student from the classroom such as an after school detention, in-school suspension or out-of-school suspension, are all considered as unexcused absences.
- Intentionally "skipping" school is considered truancy. It is a serious violation of school standards and Indiana state law, and will result in disciplinary action.
- Missing the bus or ride.
- Taking "personal" or "mental health" days.

EXCESSIVE ABSENCES

There is a limit of six absences (excused or unexcused) per semester, or per class. Any student who misses six (6) or more days of school or six (6) of the same class period, per semester, may be issued disciplinary action that may include not receiving credit for the semester's course work.

- 4 days missed in a semester = formal communication from school to parents
- 5 days missed in a semester = parent conference with administrator
- 6 days or more missed = parent meeting with the school administration to determine the cause of absenteeism and decide if disciplinary action is needed. A doctor's note for any future absences within that same semester is required for the absence to be excused.
- In cases of extended illness or injury, an appeal may be made to the school administration.
- *Any absences that are due to Covid or Covid Quarantining are not included in the count of excessive absences.*
- Any student missing 10 days of school per semester may receive a 10% grade reduction in the class. The family may also be reported to the DeKalb County Division of Family Resources. This will be determined by the Administration.

TRUANCY for UNEXCUSED ABSENCES

A student who skips school or leaves the school campus without permission for any length of time is automatically considered truant for each day skipped. Additionally, every third unexcused absence as listed above will be a truancy. Unexcused absences are calculated by semester, and truanancies are calculated annually, not by semester. Truancy will be disciplined in the following manner:

- 1st Truancy: Parent phone call from administrator to discuss the child's absence(s) and one In-School Suspension day assigned.
- 2nd Truancy: Parent conference to discuss the child's absences, and two In-School Suspension days assigned.
- 3rd Truancy: Parent conference for determination of three days In-School Suspension or Expulsion from LPCS for the remainder of the semester. If the child has in-school suspension, parents will be notified.
- 4th Truancy: Expulsion from LPCS for the remainder of the school year.

TARDIES (School Arrival)

Any student arriving between 7:50 am (8:30am on Mondays) and 11:15am will be considered tardy for the day. Tardies will be excused with written documentation from a medical provider or at the discretion of a principal. Tardies reset at the semester. Unexcused Tardies will be addressed in the following manner:

6 Unexcused Tardies: Parents receive an email from the principal with a reminder of the school's expectations for arrival time. Student drivers will receive one Friday Night School Detention.

10 Unexcused Tardies: The student and his/her parents must meet with the Administration to explain and discuss the tardies. Two Friday Night School Detentions will be assigned for student drivers.

12 or more Unexcused Tardies: The student and his/her parents must meet with the Administration to explain or discuss the tardies. The principal will determine further disciplinary action up to and including immediate exclusion from LPCS.

JH & HS TARDIES (to Class)

Every 6 Tardies arriving to class will result in a Friday Night School Detention. Tardies are reset each semester.

STUDENT SIGN IN/SIGN OUT

Students leaving the building without permission will be considered truant. Students reporting to school late or returning after appointments outside of the building must sign in through the school office. If students are given permission by Administration to leave the building, they must sign out and back in through the school office.

IV. ACADEMICS

TEXTBOOKS

1. Lakewood textbooks are provided to its students through the annual resource fee. All textbooks, consumable and non-consumable, are and remain the property of the school.
2. Students are responsible for their textbooks. A misused textbook that is damaged beyond normal use will result in fines or replacement costs being passed on to the student.

STUDENT GROWTH/ACHIEVEMENT ASSESSMENTS and COLLEGE PREP TESTS

Various assessments occur in each grade to see student growth and achievement and to recognize gaps in learning in order to allow staff and students to determine student alignment with course material and instruction. Other assessments are given as part of our graduation requirements, according to the Indiana Department of Education and to assist with determining course placement.

- IREAD-3 test is given in grade 3
- ILEARN tests are administered for grades 3-8 and grade 9 Biology.
- WIDA Access is administered once a year to K-12 students identified as English Language Learners.
- PSAT tests are administered at LPCS for students in grades 9, 10 & 11.
- Scholastic Aptitude Test (SAT) is administered at LPCS for students in grades 11 & 12.
- American College Test (ACT), may be taken at other designated sites.
- SAT / ASVAB are tests students in grades 9-11 may take as a Graduation Pathway.
- The Northwest Education Assessment (NWEA) is administered to grades K-8. This is a computer adaptive assessment given two to three times a year to check growth and monitor progress.
- For college-entry assessments, Lakewood can help provide information, schedules, and registration information.

HIGH SCHOOL: ADDING and DROPPING CLASSES (Schedule Changes)

- Students will be allowed to drop a course, without penalty, within the first full week of that course.
- In order for a student to drop a course, they must be taking at least seven classes.
- If a student drops a course after the second week, they must either enroll in another course and catch up on the two weeks worth of work missed, or enroll in study hall or peer tutoring if course credit is not needed.
- Students cannot drop a class to take two study halls within the same Quarter or Semester.

HIGH SCHOOL: ONLINE COURSE

- Lakewood will not endorse or approve online courses that conflict with the philosophy and objectives of the school or are not part of an accredited educational institution.
- Online courses may be taken to make up for a deficiency in requirements for graduation, for personal interest, or for enrichment.
- An online course may not be substituted for the same course offered at Lakewood if the student has the opportunity to take the course at school unless authorized by the junior high/high school principal.
- Depending on the online course, students may be required to pay for the course in addition to their tuition and fees.

eLEARNING

eLearning Days are school days that consist of teacher-assigned learning activities that students access online and complete outside of the classroom. Student attendance for the school day will be based upon the completion of these activities. eLearning Days may be utilized when we are not able to hold school on campus due to such things as weather, status of the building, or a pandemic.

School closings and eLearning Days will be communicated to school families by the Superintendent by 8:15am when possible. Teachers will then communicate eLearning activities to students and/or parents by 9:00 am and will be available via email 9:00am-3:00pm that day (responding within an hour of an inquiry). Please note that elementary teachers will communicate via parent email, and junior high/high school teachers will communicate via Google Classroom. All eLearning tasks should be completed upon students' return to the classroom the next day. Few exceptions may be made for late submission as determined and approved by the principal. **Please see more eLearning information in the Appendix of this document.*

VIRTUAL LEARNING

If an extended school closure is determined to be necessary, Virtual Learning will be implemented until school resumes on campus. Virtual Learning (VL) differs from eLearning and will only be used when a crisis on campus or in our community prevents us from coming to school for an extended period.

Virtual Learning instruction will be facilitated by teachers on a digital platform. It is imperative that academic progress continues even when we are not able to facilitate learning on campus.

In addition to live instruction, teachers will utilize Google Classroom as a virtual learning environment and will post coursework and learning activities for their students. Students will have access to coursework, submit assignments and assessments, and receive teacher feedback via Google Classroom. All students must complete and submit VL assignments on the due date designated by the teacher.

Attendance will be taken during live instruction daily. If a student is not able to attend class on a given school day, a parent should report the absence to attendance@lakewoodpark.org.

HOMEWORK PHILOSOPHY

Homework is an important aspect of the educational experience. It reinforces the lessons covered in class and can foster student initiative, independence, study habits, and responsibility. The following guidelines will be observed regarding homework:

LOWER SCHOOL (PK-6)

1. Homework assignments should be communicated to students and noted in the teacher's weekly parent communication when possible, along with a project and test schedule.
2. We encourage parents to check their child's homework assignments and assist as needed as well as hold your child accountable for completing assignments.
3. Parents are encouraged to contact teachers regarding any problems their student is experiencing completing assignments or understanding the material.
4. In the event of a student absence, parents may contact the school office or the classroom teacher to request homework assignments. If contact is made by 10:00 am, the assignments will be ready for pick up at the school office after 3:00 pm.

UPPER SCHOOL (7-12)

1. All homework assignments are posted on Google Classroom for the week.
2. All homework assignments are due at the beginning of the class period.
3. If a student is absent, it is his/her responsibility to find out what he/she missed. Students should check Google Classroom for their assignments, then follow-up with his/her teacher(s).
4. Parents and students are encouraged to contact teachers regarding any problems their student is experiencing completing assignments on time.

MAKE-UP WORK

1. Students are allowed one make-up day for each absence; up to five days. Special circumstances, prolonged illness, etc. may require more time as approved by the Administration.
2. An "I" or incomplete is given for quarter grades that are incomplete due to absences of extreme circumstances at the time of issuance of the report card. All incompletes must be made up within one week from the close of the marking period.

LATE ASSIGNMENT POLICY (for Grades 7-12)

1. An assignment is late if it is not turned in at the beginning of class, the day that it is due.
2. Missing / late assignments will be entered in the grade book as an 'M' for missing and be calculated as '0%' until the assignment is turned in.
3. Late assignments will be accepted only within 1 week after it is due for a 20% grade deduction on that assignment.
4. After the 1 week grace period, the assignment can not be turned in, and a '0' grade will result.

STUDY TABLES for (for Grades 5-12)

Study Tables provide the opportunity for students to improve their academic standing by working with a teacher, having extra time to complete work, or to reflect on current academic standing.

1. Each Wednesday, Study Tables will be assigned when a student has a D or F in a course.
2. An email will go out to both the student and to parents informing them of the assigned Study Tables that week. Once it is assigned, it will not be revoked. The opportunity for work and reflection will only benefit the student.
3. When a student is assigned Study Tables for a D or F grade, they will be required to attend the appropriate Study Table session held in a teacher's classroom during their lunchtime on either Thursday or Friday..
4. If the grade does not change, Study Tables will continue to be assigned, and academic probation may be enforced.

GRADING

The purpose of a grading procedure is to establish a grading policy with universal standards of measurement applied to all subject areas, with flexibility to accommodate individual teacher differences:

- Academic progress is reported to parents on a quarterly basis.
- Parents have access to their child's grade at any time through the use of our FACTS system.
- Kindergarten and 1st grade students receive only satisfactory (S) or unsatisfactory (U) with a plus or minus, where applicable.
- Students in grades 2-6 receive letter grades in core subjects.
- Students in grades 7-12 use the grading scale below for establishing the quarter and semester grades. This goes on the quarterly reports.
- Students in high school take semester final exams that are incorporated into their semester grade.

- A 'GPA' (Grade Point Average) is also used for high school students in the computation of semester and cumulative semester averages for high school level classes offered for credit.

*AP=Advanced Placement *DE=Dual Enrollment *H=Honors

CLASS RANKING for HIGH SCHOOL STUDENTS

Lakewood does not rank the students of graduating classes, except for Valedictorian and Salutatorian because of class sizes. Ranking students would not serve any purpose and may hinder or hurt the student's opportunities for college entrance or job placement. A student must be at Lakewood Park for six consecutive semesters in order to be considered for Valedictorian or Salutatorian.

STUDENT RECORDS and TRANSCRIPTS

1. Student cumulative folders contain the student application forms from each year; medical records such as immunizations, physical, and injury reports; testing records; cumulative attendance and academic records, certain discipline reports and court documentation where applicable.
2. Legal Guardians may have access to his/her child's records after a written request has been submitted to and approved by the school administration, unless prohibited by court decision or state or federal law.
3. Social worker agencies may have access to a student's records with signed parental or school administration's approval and in accordance with state law.
4. No records are transferred to another school until a withdrawal form is completed and all financial obligations to the school are paid in full.
5. Transcripts for seniors are acquired through Parchment. Through Parchment, transcripts are available to students and to colleges. If assistance is needed with Parchment, please see our Guidance Coordinator.
6. Any time a change of address, phone number, work number, or other pertinent information occurs, it should be sent to the school office as soon as possible. Current information is necessary for the care and protection of a student in an emergency.

ELEMENTARY ENRICHMENT / RELATED ARTS CLASSES

All elementary students are scheduled to take part in the following special classes each week: art (K-6), music (PK-6), library (PK-6) and physical education (PK-6).

ELEMENTARY GRADING for RELATED ARTS

Students in grades 1st-4th shall be graded with S & U for Related Arts grades (art, PE and music). RISE56 students will receive a letter grade in all content areas including related arts classes. If a student cannot attend a music program due to an illness or a family vacation that has been approved as an excused absence, there is no penalty to the child's grade. However, if the absence is an unexcused absence, the student may receive a grade of "Unsatisfactory" on his or her report card. RISE56 students may be docked up to 10% of their grade for the quarter when a performance is missed.

ACADEMIC PROBATION for GRADES 7-12

Based on quarter and semester grades for 7-12 students may be put on academic probation and be unable to participate in extracurricular activities based on the following:

1. Athletic eligibility: see Athletic Handbook.
2. Probation: If a student has one F grade in any subject or 2 or more D grades in any subject, he/she is ineligible for other extra-curricular activities including, but not limited to student council, class officer positions, or drama club. Academic eligibility is checked every 4 ½ weeks. Academic probation will also be considered at times of re-enrollment.

RETENTION POLICY

It will be the right of the school to retain a student in a particular grade if it is determined to be in his/her best interest. A retention information packet will be filled out and examined by Administration, parents, and appropriate teaching staff. The final determination will be made by the Administration. Parents are to be given ample notice during the course of the year that the student's achievement and/or development are of concern.

WITHDRAWAL FROM LAKEWOOD PARK

In order to properly withdraw from school, the parents/guardians should notify the administration in writing through a Withdrawal Form. After the school has been notified:

- Parents/guardians may be asked to complete an exit survey.
- If there are missing items such as textbooks, library books, and athletic uniforms that need to be turned in as well as fines, charges, and payments that have not been paid, the guardian will be contacted directly.
- No physical records will be transferred until the school bill has been paid and all school property has been returned.
- Students who withdraw during the school year, are given two weeks to enroll in a new school and request transfer of records. If records are not requested, the school will notify appropriate agencies that the student is not attending school.

HIGH SCHOOL TRANSFER STUDENTS

1. Students who transfer to Lakewood Park are held to the same graduation requirements as current students. The only exception is Bible class. Students must be enrolled in a Bible course for each semester of attendance but do not need to make up missed courses.
2. Credit is given for any completed course work from another school in any approved course. Partial quarter credits for courses which are not offered will not be accepted.
3. Proof of credits and grades is required upon acceptance to determine eligibility for graduation in a specific diploma program. Handwritten records will be accepted from home schooled families unless the student's work reflects an insufficient knowledge of the subject. In that instance, a course may have to be repeated to insure the student's success in subsequent classes.
4. Home school students may take up to 4 classes before they must enroll as a full-time student. Tuition is prorated according to the student's grade level and the number of classes taken.

5. Athletic eligibility is determined by the IHSAA, depending upon various circumstances as determined by the IHSAA. According to the IHSAA, in order to participate in HS athletics, a student must be enrolled in 70% of classes at that school.

VALEDICTORIAN / SALUTATORIAN REQUIREMENTS

1. In order to be considered for Valedictorian or Salutatorian of a graduating class, a student must:
 - a. Attend the school for at least 6 semesters during high school.
 - b. Be in good standing in regards to behavior and attendance policies.
 - c. Transfer any previous high school credits to be calculated on Lakewood Park's grading scale and applied toward the aggregate Grade Point Average.
2. The students with the top two 'grade point averages' will earn the title of Valedictorian and Salutatorian respectively. Should two (or more) students have equal Grade Point Averages, then an average calculation of percentages of all courses taken for high school credit will determine the top two places. In the event that the percentages are tied to three or more decimal places, the school will reserve the right to name Co-Valedictorians or Co-Salutatorians if deemed appropriate and necessary.

SENIOR INTERNSHIPS

1. Students interested in an internship during their senior year must fill out an application during the last quarter of their junior year. The forms can be found in the Guidance office and requires signatures from the student and parents of the student.
2. Students must arrange their schedule with the Guidance Counselor and the Internship Teacher.
3. Students must take a minimum of five classes per semester, maintain at least a 2.0 grade point average and will complete weekly time sheets and assignments during their internship.
4. Students will be required to submit their timesheets weekly for review with signatures from their site supervisor as part of their grade.
5. Students will be expected to be present for chapel.
6. Students may be expected to be present for lunch, depending on the internship schedule.
7. All internship sites and schedules are subject to the approval of the Guidance Counselor and Upper Level Principal.

COLLEGE REPRESENTATION

The School Counselor will schedule representatives from a variety of colleges for students to obtain information and talk to their representative.

SPECIAL EDUCATION EVALUATIONS

If at any time a parent wishes to have their child evaluated to determine eligibility for an ISP (Individual Service Plan), a formal request must be signed and submitted by the parent/guardian. Upon receipt of the request, the school Interventionist will work with representatives from DeKalb Central Schools to begin the evaluation process.

V. STUDENT LIFE

SPIRITUAL DEVELOPMENT

1. Weekly Chapel
The purpose of Chapel at Lakewood is to lead the students in worship, instruct them in the Word of God, and encourage their daily walk in the Christian life. Chapels are designed to broaden, expose, and challenge students via a wide-range of speakers and a variety of experiences.

PK-12 students have chapel once a week. The junior high/high school program, planned by the Associate Pastor of Discipleship and the student worship team, consists of speakers, videos, and relevant programs that are geared to young people of today. There is also a time of worship led by the school's worship team. Technology devices are not allowed in chapel, but students are encouraged to bring their Bible. Disrupting Chapel in any way will lead to disciplinary action.

2. RISE 5/6 Shine Teams and Junior High / High School Teams

The Shine Team and JH/HS Team programs integrate Chapel, small groups, and community service. The week of Chapel everyone breaks into small groups. The groups are divided in a way that gives the best possible environment for cultivating unity and leadership within the school. The groups contain approximately 10-12 students, and groups are also divided by gender. Each team is facilitated by an adult supervisor. The topic for each team may feed directly from the topic from Chapel, but may also be individualized to meet the needs of the group..

4. High School Community Service Hours

All high school students in grades 9 – 12 are required to perform 25 hours of service per year in order to graduate. These hours may consist of service at church or in the community. The service must be done without pay or other compensation. Suggestions for service opportunities are given to students at the beginning of the school year, along with a service tracking form. Students in grades 9 - 12 have the option of completing their community service hours locally or participating in a mission trip- See the School Counselor for details.

SCHOOL COLORS and SCHOOL SPIRIT

School colors are Columbia Blue, black and white. The school mascot is a panther. School Spirit means that Christ-like character will be exhibited by each and every student and parent in school, at all extra-curricular events and at all school activities.

ASSEMBLIES

Special assemblies will be periodically called by the school Administration. All students and faculty are required to attend. Students are not to leave school during Chapel or special assemblies without prior permission; appointments should be scheduled for other days and times.

MUSIC SELECTIONS

The intent of music is to glorify God. Therefore, music played before, during, or after school, including at co-curricular and extra-curricular events, must match the educational objectives and philosophy of Lakewood Park.

ELEMENTARY RECESS

The fresh air and activity of outdoor recess is an important part of a young child's day to function at their best. All PreK-4th grade students are expected to go outside for recess and should be prepared with the proper attire to be comfortable in varying weather conditions. Students may stay inside because of illness for a maximum of three consecutive days with a note each day from the parent. If more than three days are necessary, a note from the doctor is required.

PLAYGROUND RULES AND GUIDELINES

Staff supervise students on the playground. Students are expected to put all balls and playground equipment away at the end of each recess. Students are expected to demonstrate respect for people and property at all times. Consequences for inappropriate behavior will follow our discipline policy.

INCLEMENT WEATHER for RECESS

The Elementary Principal will determine whether or not students will go outside for recess. During winter months, children will go outside for recess if the temperature/wind chill is above 10 degrees. Please send winter gear with students each day including boots, snow pants, mittens, and a warm jacket. If the temperature drops below 10 degrees, with or without wind chill, students will remain indoors.

DRESS CODE

The purpose of the LPCS Dress Code is to provide guidance in relation to modesty and appropriateness of dress. We desire to allow for the expression of wholesome individuality balanced by sensitivity to the convictions and preferences of others.

Administration reserves the right to make policy changes based upon current trends and to make value judgments concerning students' appearance. In every situation we ask that extremes be avoided. We have provided the following guidelines for appearance. *These guidelines of neatness, modesty and appropriateness apply to after school activities as well.*

Neatness

All clothing must be in good repair. Items can be prohibited at the discretion of the administrator and/or deans.

Modesty

1 Timothy 2:9-10 ESV Likewise also that women should adorn themselves in respectable apparel, with modesty and self-control, not with braided hair and gold or pearls or costly attire, but with what is proper for women who profess godliness—with good works.

1 Peter 3:3-4 ESV Do not let your adorning be external—the braiding of hair and the putting on of gold jewelry, or the clothing you wear— but let your adorning be the hidden person of the heart with the imperishable beauty of a gentle and quiet spirit, which in God's sight is very precious.

Guidelines are put in place to help ensure modesty is promoted in our hallways. Respecting ourselves and others is part of living in community, and we value all of our members. Items can be prohibited at the discretion of the administrator and/or deans.

Appropriateness

SCHOOL-WIDE DISCIPLINE POLICY / BEHAVIORAL EXPECTATIONS

Our fundamental goal is to present a Christian educational program to students and a Christ-like model to the community. In light of these goals, lifestyle is an important consideration. Students enrolled at Lakewood Park are considered to be representative of the school twenty-four hours a day, seven days a week. At times, school consequences will be applied for behavior that occurs away from school property and outside of school time. (Some examples are stealing, inappropriate social media posts, illegal substance abuse, any other illegal activity, or sexual immorality.) If a student is living an unbiblical lifestyle without demonstrating a desire to change, the school reserves the right to remove the student.

CLASSROOM EXPECTATIONS

- 1. Be on time (in class and seated when the bell rings for 7-12).
- 2. Be prepared with materials needed for class. If the student needs to go to their locker or cubby for materials, after the bell rings, the teacher may count the student tardy.
- 3. Be respectful of the teacher, classmates and classroom property.
- 4. Be aware that the school-wide rules and expectations apply in the classroom as well.
- 5. Follow the teacher's directions (or the directions of the teaching assistant).

9. In order to uphold current safety measures, if a student in middle school or high school needs an accommodation to carry a backpack to and into classrooms, it must be clear.

*Each teacher will have individual classroom expectations as well that are communicated to parents and students. These classroom expectations will be tied to rewards and consequences for behaviors.

INSPECTION OF PROPERTY

They must be well-maintained and are to be used only for ministry-related purposes. To ensure compliance with its rules and regulations, Lakewood Park reserves the right to inspect all property without prior notice to the employee and/or in the employee's absence.

ANTI-BULLYING POLICY

The Administration of Lakewood Park School Corporation prohibits acts of bullying of a student. Administration has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. If a student or other individual(s) believes there has been aggressive behavior, regardless of whether it fits a particular definition, she/he should report it and allow the administration to determine the appropriate course of action.

The objective of this policy is not to merely maintain a safe community but to develop one that is transformational and life-giving.

BULLYING DEFINED:

Indiana Code 20-33-8-.2 defines bullying as unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student.

Bullying creates an objectively hostile environment for the targeted student, creating fear of harm and/or substantially interferes with physical or mental health; academic performance; or the ability to participate in or benefit from educational or spiritual activities or opportunities. Bullying is a form of Harassment.

SEXUAL HARASSMENT DEFINED:

May include, but is not limited to:

- a. Verbal harassment or abuse;
- b. Pressure for sexual activity;

- c. Repeated remarks with sexual or demeaning implications
- d. Unwelcome touching
- e. Sexual jokes, images, posters, cartoons etc.;
- f. Suggesting or demanding sexual involvement, accompanied by implied or explicit threats

HAZING DEFINED:

Any activity expected of someone joining a group (or to maintain full status in a group) that humiliates, degrades, or risks emotional and/or physical harm regardless of the person's willingness to participate.

PRINCIPLES

1. We are made in the image of God therefore every person has intrinsic worth, value and dignity and each image bearer should assure that others are treated accordingly.
2. Jesus identified the most important commandment is to love God with everything and the second is to love your neighbor as yourself. (Matthew 22; John 13:34-35; Romans 12:18). Aggressive/harassing behavior is rebellion against God's character and command. Lakewood Park takes bullying seriously, and will support targeted students, and their families, when bullying is reported and verified. Bullying will not be excused, permitted, or tolerated.
3. God helps us to learn how to love others through the example and instruction of godly teachers. (1 Timothy 4:11-12).
4. Parents bear the primary responsibility to model and teach their children how to love others as God commands. (I John 3:23; Deut. 6:6-7). Parents will equip children with the appropriate training and tools to live lives of love and encouragement and hold them accountable to such.
5. Through Scripture, we are taught that relationships inevitably involve conflict (Luke 6:27-28; James 4:1-3). Some conflict is caused by our sinful desires of selfishness, jealousy, greed, arrogance, and rivalry. Individuals may become resentful or angry when he/she does not get what he/she wants. Each student can expect such sinful behavior to be confronted.
6. Humility and brokenness are essential to life in a Christ-centered community and will be encouraged and expected of staff, students and parents alike.
7. God calls individuals to overlook minor offenses as we love one another (Proverbs 19:11) and to seek justice (Micah 6:8)
8. Individuals can sin in word, action, and thought. (Matthew 5-7, Ephesians 4-5) Bullying is sin.
9. Words have power and reflect the condition of one's heart. (James 3: 1 – 12). When another person sins, the goal of leadership ought to be restoration and reconciliation. This involves a spirit-directed discerning of the heart. Restoration involves ownership of the sinful behavior, acknowledgement of the hurt, asking forgiveness, and repentance. Love requires gentle confrontation and/or a firm rebuke and correction.
10. Sometimes the context of restoration must be outside of the student population for the safety and health of others. (Matthew 18)
11. Prayer accomplishes much. (James 5:16)

A CHRIST-CENTERED APPROACH

We understand that it can be hard for school leadership to pinpoint the specific acts of bullying as they usually take place beyond direct supervision. Most bullying can occur between classes, in hallways, on our playground, at lunch, and before and after school. This will require vigilance by staff and the support of parents in a compassionate pursuit of truth. Therefore,

1. All staff will lead by example as they seek to love others as image-bearers of God.
2. All staff will encourage the promotion of positive interpersonal relations between members of the school community.

3. Tactics such as intimidation, harassment, physical violence, gossip and rumors, and verbal threats will not be tolerated. All instances of harassment, bullying, and hazing of students are a violation of this policy. All staff will take an active role and be vigilant in watching for signs of aggressive behavior, bullying and teasing that might surface within the classroom.
4. All incidents that are witnessed by a faculty/staff member or reported to them, must be documented within F.A.C.T.S.
5. Administration will partner with parents to discuss the situation to bring out the truth of each situation and correct unacceptable behavior of students participating in any bullying act. The development of an atmosphere that encourages students to grow in self-discipline and the demonstration of genuine respect for all people must be pursued cooperatively between the school and parents.

PROPER REPORTING and RESPONSE

In severe instances, local legal authorities may be notified.

1. All perceived bullying or harassing incidents or behavior should be reported immediately to a staff member. These reports will be thoroughly investigated by school staff.
2. Consequences for students who commit acts of violence, including but not limited to harassment and/or bullying, shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance both at Lakewood Park Christian School and any discipline record prior to enrollment. Consequences will be consistent with the Student-Parent Handbook.
3. Responsive measures are designed to correct the problem behavior, prevent another occurrence of the behavior, and protect the victim of the act.
4. Staff members will document all reported bullying incidents and will share them with the Administration, who will investigate fully and be responsible for a cumulative record of incidents and violations.
5. A targeted student and perpetrator will be informed that the behavior will/must stop immediately. Students determined to be the perpetrator of bullying behavior may
 - a. be asked to apologize to seek appropriate reconciliation.
 - b. be involved in parent/administrator conferences.
 - c. be given a range of punitive responses up to suspension or exclusion.
6. After an incident has been thoroughly investigated and dealt with, staff and administration will monitor students involved to ensure that bullying does not resume or recur.

RETALIATION

Retaliation against any person for reporting any aggressive behavior, or participating in an aggressive behavior is prohibited. Suspected retaliation should be reported in the same manner as the alleged aggressive behavior. Retaliation will result in serious disciplinary action.

FALSE REPORTS

False reporting of aggressive, bullying behavior is prohibited and will result in disciplinary action.

BYSTANDERS

LPCS prohibits both active and passive support for acts of harassment and bullying. LPCS staff should encourage bystanders to support students being harassed or bullied, and report them to a staff member.

CONFIDENTIALITY

Every reasonable effort will be made to maintain confidentiality during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations.

CONFLICTING EVENTS RESOLUTION PROCESS

Lakewood Park Christian School exists first and foremost to bring glory to our great God. Colossians 3:23 calls us to work hard at all things, because ultimately we are doing those things for Christ, and not for ourselves. This Scripture makes it clear that anything less than an all-out effort does not please God. We therefore expect excellence in all aspects of our school- from our administrators, teachers, coaches, and students alike. We also believe strongly that when a student commits to being a part of something, they do not do so flippantly, but they commit to it with all that they have.

With that being said, we understand that in a school our size there may be instances in which a student has more than one commitment at the same time. We will do what we can in terms of scheduling to avoid such conflicts, but when these conflicts do arise we want to be prepared for it. We must consider what is best both for the school as well as what is best for the student. Here are some general guidelines as these situations arise:

1. School Events vs. Non-school Events

School sponsored events or activities take priority over non-school sponsored events or activities. Exceptions may be made to this policy- at the discretion of the administration- for special family or church events. If an exception is not given, the coach, or sponsor of the school sponsored event "may" withhold the next event from the student's participation. Whether or not an exception or consequence is applied, school personnel will focus on continuing to love and support the child, and not pressure the child's or parent's decision. The school will follow IHSAA rules, and where it applies, will implement any required consequences.

2. School Performances vs. School Practices

Performances/games take priority over practices/rehearsals. For example, if a student has a band concert at the same time as a basketball practice, the student is expected to attend the band concert. These are what we consider to be "unequal" school events, and in these situations the student is expected to attend the performance/game over the practice/rehearsal.

3. School Performances vs. School Performances

If a student has multiple "equal" events (i.e. more than one school sponsored performance/ game/ event or more than one school sponsored practice/rehearsal) on the same day, they will be

excused from one of those activities. In these cases, the student along with their parents will decide which event to attend. It is the student's responsibility to speak directly with both of the coaches/teachers involved well in advance of the conflict date to inform them of his/her decision.

4. **Curricular or Co-Curricular Performance/Event vs. Extracurricular Performance/Event**

A performance, or event that is tied to a classroom grade will take precedence over an extracurricular event or practice. For example, a band student who is receiving a grade as a part of his/her performance, and who participates in a sport would be expected to attend an evening concert performance, over attending the athletic game or practice. An example of a curricular event would be that students would be able to attend the junior/senior trip without consequence from the extracurricular team that they are involved with.

Final Note: Administration will retain the authority to make an exception to this policy, based on an unexpected, uncontrollable, or unforeseen event. An example might include a student that has a fine arts performance that was planned beyond a sport season, but the sport made it to postseason play, such as a regional or semi-state event, creating a conflict.

VII. HEALTH POLICIES

INJURY at SCHOOL

All serious injuries should be reported to the health clinic for treatment. The school nurse or health assistant will administer emergency first aid and notify parents.

HEAD INJURIES and CONCUSSIONS

Any head injury will result in an immediate phone call to parents explaining the situation and current symptoms. Please note that an EMS will be called at any time if the nurse deems that necessary. Parents who prefer to give consent for an EMS to be called immediately in the event of a head injury must sign the EMS Consent form and return to the office.

ILLNESS at SCHOOL

If a student becomes ill during school, he is to request a pass to come to the clinic. The school nurse will call the parents if it is determined that the student needs to go home. The student is not to call home. Parents will be notified and expected to pick up their children when they are running a temperature of 100 degrees or more. The student must be free of a fever, vomiting, or diarrhea for at least 24 hours before returning to school.

MEDICATION POLICY

1. All prescription medication must be taken to the office and will be stored in the health clinic. Prescription medications must be in the original physician or pharmacy's container, labeled with the physician's name, the student's name, the name of the medication, the amount to be given, the time to be given, and the duration of the medication is to be taken. Pharmacies will often give duplicate containers on request so that parents can send only the amount needed at school to the school.
2. All over-the-counter medication must be taken to the office and will be stored in the health clinic. It also must be in the original container.
3. Parents must sign a permission slip (gold form) for all medications. Information should include the name of the medication, dosage, time and condition for which the medication is needed.

4. Jr. High and High School students are allowed to carry emergency medications with a physician's permit; however, these medications must be kept with the student and not stored in lockers. The student must act responsibly in carrying medication or the permit will be revoked (i.e. not share medication or leave medication unsupervised).

GENERAL GUIDELINES for VARIOUS MEDICAL CONDITIONS

1. Please keep your child home when he is ill, for his sake and for the sake of others.
2. If a student has a temperature of 100 degrees or more, vomiting, diarrhea, or excessive coughing in the morning he should be kept at home. The student must be free of a fever, vomiting, or diarrhea for at least 24 hours before returning to school.
3. Students who have "pink eye" (conjunctivitis), strep throat or other contagious conditions must be treated with antibiotics for 24 hours before returning to school.
4. In making the determination to exclude a student from school due to the presence of a rash, communicability to others is a primary consideration. The school nurse may be able to identify the condition using assessment; however, on occasion a visit to the doctor may be necessary to determine whether a rash is contagious. Students referred to a physician for determination of communicability must have a physician's note that clears the student to return to school prior to or at the time of return to school.
5. Parents are notified if their student is found to have head lice. Parents must treat the student according to product instructions prior to returning to school. The student will be checked for live lice upon return to school. The student can attend school during the intervening week and must be free of live lice. Most lice treatments are a two-treatment system, 7-10 days apart. After the second treatment, the student will be rechecked and must be free of live lice. Several additional head lice checks will occur in the following weeks. Classmates and close friends are checked for head lice. All effort is used to maintain the confidentiality of the affected student.
6. Cuts and open wounds should be covered for the student's protection as well as the protection of others. If wounds are draining or wounds cannot be covered, parents may be asked to keep the student out of school until the wound can be safely covered or cared for. On occasion, a visit to a physician is necessary to determine communicability of the wound. Students referred to a physician for determination of communicability must have a physician's note that clears the student to return to school prior to or at the time of return to school.

IMMUNIZATION POLICY

1. The immunization policy follows the codes and laws established by the State of Indiana.
2. Parents or guardians must provide the school with documentation of immunization and students must be current with immunizations. Documentation of immunizations consists of submitting a photocopy of the student's immunization records. This can be submitted to the office or directly faxed from your physician's office or from a previous school.
3. Indiana law provides exemption to immunization for religious or medical objection. A religious exemption requires a written statement signed by the parent objecting to each immunization. A medical exemption requires a physician signature recommending exemption based on a medical condition.
4. Forms are available in the health clinic and must be renewed each school year prior to the first day of school.
5. If your student requires a catch-up schedule, please see the school nurse to coordinate spacing and scheduling of immunizations.

VISION and HEARING SCREENING

1. The school nurse coordinates screenings for visual acuity and hearing testing during each school year. A parent permission note is not sent for these tests.
2. Visual acuity testing is conducted for all students enrolled in the 1st, 3rd, and 8th grades, and all other students suspected of having vision problems.
3. Hearing tests are conducted for all students enrolled in the K, 1st, 4th, 7th, and 10th grades, new students, and all other students suspected of having hearing problems.

- a. You will not repost a message that was sent to you privately without permission of the person who sent you the message [unless you need to disclose illegal, inappropriate, or harassing language to your teacher].
 - b. You will not post or type information that could cause danger or disruption or engage in personal attacks, including prejudicial or discriminatory attacks.
 - c. You agree not to send hate mail or messages.
 - d. You will not harass another person by a persistent action that distresses or annoys another person and you must stop if asked to do so.

 - b. You will not use the computer system to access material that is profane or obscene (pornography), or that advocates illegal acts, violence, or discrimination toward other people.
 - c. If you mistakenly access inappropriate information, you should immediately tell your teacher or another staff member. This will protect you against a claim of intentional violation of this policy.
 - d. Your parents should instruct you if there are additional materials they think would be inappropriate for you to access. The school fully expects that you will follow your parents' instructions in this matter.
5. Internet Access
- a. You may not make use of anonymous proxy servers or sites to bypass filtering.
 - b. You may not make use of remote access to a personal computer or device for obtaining unrestricted Internet.
6. System Security
- a. You are responsible for your individual account and should take all reasonable precautions to prevent others from being able to use your account. Under no condition should you give your password to another person.
 - b. You shall not purposely give out your password to anyone else. By default, any Lakewood-provided password is your student ID, which is an acceptable unique password.
 - c. You agree not to purposely attempt to obtain the password of another or log on with another member's account.
 - d. You will not deliberately attempt to disrupt the computer system or destroy data by spreading computer viruses or by any other means.

- h. You agree to use extreme caution when opening email attachments received from unknown senders, which may contain viruses, email bombs, or Trojan horse code.
 - i. If you believe you can identify a security problem on the Internet or other computer, you must notify a system administrator or teacher. Do not demonstrate the problem to other users. Do not use another user's account or share your account. Doing so will result in the loss of privileges for both parties.
7. Respecting Resource Limits
- a. You will use the system only for education and career development activities and limited, high quality, self-discovery activities.
 - b. You will not download large files unless absolutely necessary. If necessary, you will download the file at a time when the system is not being heavily used and immediately transfer the file from the system computer to your personal computer.
 - c. You are responsible for obtaining permission for personal printing and paying the appropriate costs. Parents shall be ultimately responsible for all such costs. Parents should make sure their children understand the costs of printing unnecessary material.

 - b. Students and parents agree to cooperate with the School in the event of the school initiating an investigation of a student's misuse of his/her access to the computer network and Internet, whether that use is on a school computer or on another computer outside the school's network.
 - c. The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources.
 - d. Students are responsible for any material they produce.

The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources. A good rule to follow is to never view, send, or access materials which you would not want teachers, parents or supervisors to see.

The range of consequences for misuse is as follows:

1. Verbal and/or written warning.
2. Loss of Privileges for a period of time, determined by the administration and appropriate to the offense.
3. Progressive disciplinary action according to the code of student conduct for students, including possible suspension and/or exclusion.
4. Criminal prosecution or civil penalties.

Users, or their parents/guardians, will be personally charged and held responsible for any costs related to damages to district technologies caused by intentional misuse, lack of care and/or reasonable precautions.

DEVICE PROTECTION PLAN

Lakewood Park Christian School is pleased to provide students with technology in accordance with our 1:1 initiative. Students in grades K-12 will receive a Dell laptop and charger. It is the student’s responsibility to protect these items from damage, loss, or theft. Because accidents occur, we are offering a Device Protection Plan. Participation in the Device Protection Plan protects the device against: accidental damage, fire, flood, natural disasters, power surge, and mechanical failure. This plan will provide full replacement cost coverage and will protect the items on and off school grounds. The plan is limited to three claims. Parents will be responsible for all costs related to incidents beyond the third claim. The plan is also transferable to a replacement unit. All repairs regardless of participation in the Device Protection Plan must be handled by the LPCS Technology Department.

Program Enrollment is Automatic:

- The cost of the program is an annual, non-refundable fee of \$50.00 per student, payable to LPCS via FACTS. The fee will be drafted three weeks after the start of school.
- Coverage ends when the equipment is returned at the end of the school year or upon withdrawal.
- Program enrollment remains with the student, even if the original equipment is replaced by another unit. It is not transferable to another student.
- Parents who do not wish to have protection through the Device Protection Plan can opt out by sending an email to BusinessOffice@lakewoodpark.org within two weeks after the start of school.

Program Coverage:

- The Device Protection Plan covers the LPCS-provided device and charger.
- Repairs deemed by the LPCS Technology Department to be due to defects or issues that would normally be covered under a manufacturer’s warranty will be made at no charge to the student, regardless of participation in this program. Such repairs will also not count against the three claim limit.
- Damages deemed by Lakewood Park’s administration to be intentional are not covered by this plan. The student will be charged the full cost of the repairs or device replacement and may be referred to the principal for disciplinary action.
- Loss or theft of the device is not covered by this program. The student is responsible for the full replacement cost if the device, charger and/or case is lost or stolen.
